Who is a special grownup you can call on the phone to interview? (The more "grownup" the better for this project! 😊) Consider a grandparent, aunt, uncle, neighbor, or a family friend. Call that special someone to interview them about their musical memories. Record their responses below. You may be surprised by their answers!

What songs did your family sing when you were a child?

Do you know any hand clapping or jump rope rhymes? e.g. Miss Mary Mack, Cinderella, Ring Around the Rosie

What was your first music concert?

What was your favorite band or singer when you were a teenager?

What device did you use to listen to music as a kid? e.g. Record player, 8track, cassette, CD, MP3

Did you ever play a musical instrument? If so, what?

If you were ever married, what song did you dance to at your wedding?

If you had children, what songs did you sing to them?

BONUS\* If you could share one song with me, what would it be? \_\_\_\_\_
