**FACTS**

Walt Disney was an artist who was famous for his cartoon shorts. He wanted to create a fully animated movie musical but was told it was a mistake. Many people did not think an “all cartoon” movie would be interesting but Disney did not listen. In 1937, he released *Snow White and the Seven Dwarfs*. It was huge success. For 81 years, his movie musicals have been some of the most famous in the world.
